

Tualatin Valley Youth Football League

Baseline Concussion Test

Baseline tests evaluate the healthy athlete's decision making ability, reaction time, attention and memory. In the event of an injury, a re-test would give the physician additional information about the injury and help with safely returning the athlete to competition.

Tualatin Valley Youth Football requires that all 7th and 8th grade players receive a Baseline Concussion test prior to participation. The screening is valid for 2 years.

I hereby acknowledge that _____
(Print Player's name)

completed a Baseline Concussion or Pre-Test on _____ .
(Date)

Screening completed by: _____
(Print Name)

(Title)

(Clinic/Facility)
