SCHOLARSHIP APPLICATION CRITERIA – PLEASE READ THOROUGHLY:

Canby Youth Football Association (CYF) is a non-profit, volunteer-run organization. Our primary goal is to serve the community and to offer community children a chance to participate in youth football. The fees associated with participating in this activity have been established to cover the cost to operate this youth organization. It is the desire of CYF to offer football opportunities to as many children within the community as possible. CYF strives to provide scholarships, to be applied toward registration fees, to families facing financial hardships.

We have created a scholarship application process for existing and prospective members with a special need or consideration for them to participate. Your application will be reviewed by the Scholarship Committee (a small team of Board Members) and will be assessed based upon multiple criteria. We have a limited number of scholarship funds and we regret that we cannot assist everyone who applies for a scholarship, but are making every effort to ensure as many players as possible have an opportunity to play organized football in Canby.

In our effort to support as many athletes as possible, CYF only offers scholarships for the Tackle Football Program, and only awards partial scholarships. Applicants must be willing and able to pay at least half of the required registration fees (and more, in many cases) and these can be paid through a payment plan. Prior to making application, please consider utilizing our option of monthly installments rather than receiving a scholarship if you are able to do so. To make payment arrangements contact registrar@canbyfootball.com.

Please note the following:

- Awards of assistance are NOT guaranteed to every applicant.
- Scholarships are granted based on need
- Scholarship recipient families agree to 1 volunteer hour for every \$25 received in scholarship – An inability to fulfill this requirement, or to complete prior season play, will make the applicant ineligible for future scholarship consideration.

Requirements for eligibility:

- Athlete must be registered for the CYF Tackle Football Program in 3rd thru 8th grade.
- Commitment to attend a minimum of 95% of scheduled practices and games (unwillingness or inability to do so will disqualify athlete from future scholarship consideration)
- For every \$25 awarded in scholarship, recipient family agrees to fulfill one hour of volunteer work (to be assigned upon scholarship award. Unwillingness/inability to do so will disqualify athlete from future scholarship consideration)
- Application must be completed by a parent, guardian, or head of household, with all requested information provided. (Incomplete applications will not be considered)

Priority will be given to eligible youth meeting one or more of the criteria below:

- Member of a multi-child family
- Living in a single parent home
- Receiving assistance from programs such as: Food Stamps, Medicaid, SSI, Foster Care, WIC, etc. (Must provide written documentation of participation in these programs to receive priority status) – **Submit as part of the application**
- Written recommendation by school representatives, social workers, youth community center workers, or other social services representatives – **Submit as part of the application**

****Approval of a scholarship does not register the participant for CYF. Scholarship Applicants MUST complete all registration documents to play Tackle Football as part of scholarship consideration****
